

We Can Help You Understand Your Loved One's Needs

The GERIATRIC ASSESSMENT PROGRAM AT MENORAH MANOR

evaluates the medical and psychological needs of your loved one and then develops a comprehensive plan together with you and your family members.

The assessment is provided by a team of professionals who are experts in geriatrics. The program is open to any elderly individuals in the community with an emphasis on those who live in their own homes. The program works closely with the clients' own physicians.

For more information or to schedule an assessment, call Jeanette Brownstein, MSW, coordinator of the GERIATRIC ASSESSMENT PROGRAM AT MENORAH MANOR, 727-302-3737.
